Washington, D.C 20463

Dear Mr Jordan.

I received your letter dated October 19, 2005 regarding a complaint made by the Utah Democratic Party against the Utah Republican Party dated October 29, 2005.

I reviewed the complaint and worked with our legal counsel, Kevin Anderson to respond to the complaint on December 6, 2004. My response to the issue in question should be considered the same as the response given by the Utah Republican Party and its Chairman, Joseph Cannon, on December 6, 2004. If you have further questions or need additional information other than that provided by our attorney, please feel free to contact me at any time.

Thank you for your time.

Sincerely,

Mike McCauley  
Treasurer
